Thank you for the opportunity to submit this proposal:

INSTALLATION OF A BRYANT ELECTRIC AIR HANDLER AND 5 TON AIR CONDITIONER

M#FB4CNP061L00 Air Handler

M#113ANA060 Outdoor Unit

Remove existing air handler, air conditioner and dispose

Install new unit in same location

Fabricate necessary duct to adapt to existing duct

Set new outdoor unit on existing pad

Flush existing refrigerant lines with RX-11

Reconnect refrigeration lines, condensate and low voltage

Reuse existing controls

Price includes installation materials, labor, permits

Price does not include duct smoke detection if required by city, any existing refrigerant leaks if present, framing and access door, existing access is too far from unit per code

INSTALL PRICE -----\$13,272.00

ELECTRICAL ADD -----\$1,145.00

TOTAL -----\$14,417.00

Sincerely,

Curt Damman
