Our vision is to care
for young children
while instilling values
of gratitude,
creativity, and
communication
in their lives.

Curriculum

Emmanuel Lutheran Preschool follows a developmental curriculum (The Creative Curriculum for Preschool, Guided Edition) based on an understanding of how young children learn. Socialization is a primary concern and is integrated into all areas of the program. Listed below are the curricular areas and general activities for Emmanuel Lutheran Preschool:

- Faith development
- Socialization
- Language Arts
- Math
- Science
- Music
- Nutrition
- Social Studies
- Creative Arts
- Physical Activity

More Information

- Classes are for children who are at least 3 or 4 years old on or before September 1 and are toilet trained.
- Nutritious snacks are provided by parents
- Dedicated certified teachers
- Parent/Teacher Conferences are held once a semester
- Field trips occur about once a month
- Secure playground and indoor play area
- Safe and secure environment
- Challenging activities and materials
- Opportunity for exploration and play
- Parent volunteers welcome

Who Are We?

Emmanuel Lutheran Preschool benefits the community by providing quality Christian education for young children since 1972. Activities in our curriculum are planned to enhance the social, physical, intellectual and spiritual development of each child. Emmanuel Lutheran Preschool helps make faith real and alive for young children by nurturing in them an appreciation for the uniqueness of self, others and all the wonders of God's creation.
